KEB America Covid-19 Operations Update

March 26, 2020

Dear KEB America Partners,

On March 25, 2020 MN Governor Tim Walz issued a “Stay-at-home Executive Order” for MN which effectively closes all non-essential businesses. The order takes effect at 11:59PM on Friday, March 27 and lasts until April 10th at 5:00PM.

KEB America, Inc. is approved as an essential business/critical manufacturer and will remain operational to support our partners and the efforts to combat Covid-19.

If possible, KEB employees are working remotely but are still available to help and support. The following channels are the best way to communicate if you need any assistance or information
